

Basic Information

Name : Borkar Harshad Prakash
Course : PG-DAC, Aug24
Address : Gandhi Ward Warthi, Ta. Mohadi, Dist. Bhandara, Warthi, MAHARASHTRA

CCPP ID : PD0751

PG-DAC Marks

S.NO.	Module	Maximum Marks (Theory)	Obtained Marks
1	C++ Programming	40	22
2	Object Oriented Programming with Java	40	22
3	Algorithms and Data Structures(Using Java)	40	25
4	Web Programming Technologies	40	20
5	Database Technologies	40	24
6	Microsoft .NET Technologies	40	16
7	Advanced Software Development Methodologies	40	26
8	Web-based Java Programming	40	19
	Total	320	174

Academic Details

Level	Stream	Institute	Board/University	Passing Year	Degree %	Division
MSc	Computer Science	Arts, Science And Commerce College, Badnapur	Dr. Babasaheb Ambedkar Marathwada University , Aurangabad , Maharashtra	2023	83.00 %	I
BSc	Mathematics, Physics, Computer Science	Milind College Of Science Aurangabad	Dr. Babasaheb Ambedkar Marathwada University , Aurangabad , Maharashtra	2021	60.18 %	I
XII	Science	J M Patel Jr College Bhandara	Maharashtra State Board of Secondary and Higher Secondary Education	2016	50.92 %	II
X	General	Z. P. High School Warthi	Maharashtra State Board of Secondary and Higher Secondary Education	2014	66.2 %	I

Academic Projects

Title : Enjoy Travelling With Us
Platform : JAVA EE, ReactJS, MySQL, DevOps, Bootstrap, Spring Boot **Duration** : 1 Month
Description : Enjoy Travelling With Us is a web-based bus ticket reservation system designed to provide a seamless and efficient way for users to book bus tickets online. The system enables customers to search for available routes, select seats, and make bookings with a user-friendly interface. The system ensures data security and maintains a smooth user experience with role-based access, making it easy for both users and administrators to interact with the platform. Built with ReactJS (frontend), Spring Boot (backend), and MySQL (database), the application follows a modular approach with a structured directory system to maintain clarity and scalability. The project manages key functionalities, including user authentication (registration/login with email OTP verification), bus scheduling, ticket reservations, cancellations, fare calculations, and a dummy wallet for transaction simulations. It also provides a dedicated admin panel for managing bus routes, ticket bookings, etc.
Project Repository : <https://github.com/ProjectCdacBusBooking/finalProject.git>

Title : Student Attendance Management
Platform : Java JDBC ,MySQL **Duration** : 6 Months
Description : A simple Java based application for managing student attendance. This system allows administrators to record and update student attendance and view real time updates.

Title	: Employee Management System	
Platform	: C++	Duration : 6 Months
Description	: Employee management system using CPP is menu driven program which allows us to add, update, delete and search record of an employee working in an organization.	

Other Information

Extra Curricular	: Kumite (Karate), Wedding Photo Shooting
Hobbies	: Photography

Personal Information

Date of Birth	: 21/10/1998	Gender : Male
Nationality	: Indian	Languages Known : English, Hindi, Marathi

I hereby declare that the information given above is true to the best of my Information knowledge belief.
